RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Office Action mailed July 20, 2007 and the Notice of Non-Compliant Amendment mailed October 29, 2007. The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested. In the original electronic filing of the Amendment on October 22, 2007, we had improperly split the verified translations of the foreign priority documents into different sections (including a Drawings section), which led to confusion. Please note that there are no new, replacement, or amended drawings. As such, we are re-filing the Amendment as originally presented on October 22, but where the descriptions in the Image File Wrapper are re-designated in the preferred manner to reduce confusion.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 503333.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
